Where can we go for health care if we can't get HUSKY?

For regular health care

Your community health center. Your child may go to a health center in his/her school

Shots (immunizations)

Your local health department or community health center

For health problems which can be spread

(like Sexually Transmitted Diseases or Tuberculosis)

Your health department or hospital

Having a baby

Your local hospital

Emergency Care

Your local hospital

To find a health center, hospital, or health department,
call 2-1-1

**Legal immigrants can sign up for HUSKY.
You will not be deported for applying.**

**Questions?
Call 1-877-CT-HUSKY (TTY: 1-800-842-4524).
Interpreters are available.**
