

HUSKY Monthly Income Guidelines

(April 1, 2008 through March 31, 2009)

HUSKY for Children				
Family Size	2	3	4	HUSKY Program
Household Income	under \$2,158.95	under \$2,713.95	under \$3,268.95	HUSKY A, free health care
	from \$2,158.95 to \$2,742.45	from \$2,713.95 to \$3,447.45	from \$3,268.95 to \$4,152.45	HUSKY B, with co-payments for some services.
	from \$2,742.46 to \$3,501.00	from \$3,447.46 to \$4,401.00	from \$4,152.46 to \$5,301.00	HUSKY B, with monthly premiums (\$30 for first child, \$50 maximum for two or more children). There are co-payments for some services.
	over \$3,501.00	over \$4,401.00	over \$5,301.00	HUSKY B, with higher monthly premiums (\$158 - \$230 monthly per child) and some co-payments.

HUSKY for Families (including Parents and Relative Caregivers)				
Family Size	2	3	4	HUSKY Program
Household Income	under \$2,158.95	under \$2,713.95	under \$3,268.95	HUSKY A, free health care

HUSKY for Pregnant Women (Healthy Start)				
Family Size²	2	3	4	HUSKY Program
Household Income	under \$2,917.50	under \$3,667.50	under \$4,417.50	HUSKY A, free health care

¹ These income levels are not exact. There are deductions, such as child care expenses, that can lower the amount of household income that the HUSKY program counts.

² A pregnant woman is counted as two people.
