

Low-Cost or Free Health Coverage for Your Family

Many working families in Connecticut can get HUSKY health coverage for children and parents!

With a HUSKY health card, you can be covered for

- doctor's visits
- emergency care
- hospital stays
- medicine
- mental health visits
- dental care
- eye care
- and more!

Many families earning up to \$60,000 a year and even more can get HUSKY coverage for children under 19. Depending on your family income, HUSKY may also cover parents, pregnant women, or relatives caring for children.

It's easy to apply by phone or mail!
