

HUSKY Monthly Income Guidelines

(April 1, 2009 through March 31, 2010)

HUSKY for Children				
Family Size	2	3	4	HUSKY Program
Household Income	under \$2,247.75	under \$2,823.10	under \$3,400.30	HUSKY A, free health care
	from \$2,247.75 to \$2,855.25	from \$2,823.10 to \$3,586.10	from \$3,400.30 to \$4,319.30	HUSKY B, with co-payments for some services.
	from \$2,855.26 to \$3,645.00	from \$3,586.11 to \$4,578.00	from \$4,319.31 to \$5,514.00	HUSKY B, with monthly premiums (\$30 for first child, \$50 maximum for two or more children). There are co-payments for some services.
	over \$3,645.00	over \$4,578.00	over \$5,514.00	HUSKY B, with higher monthly premiums (\$158 - \$230 monthly per child) and some co-payments.

HUSKY for Families (including Parents and Relative Caregivers)				
Family Size	2	3	4	HUSKY Program
Household Income	under \$2,247.75	under \$2,823.10	under \$3,400.30	HUSKY A, free health care

HUSKY for Pregnant Women (Healthy Start)				
Family Size²	2	3	4	HUSKY Program
Household Income	under \$3,037.50	under \$3,815.00	under \$4,595.00	HUSKY A, free health care

¹ These income levels are not exact. There are deductions, such as child care expenses, that can lower the amount of household income that the HUSKY program counts.

² A pregnant woman is counted as two people.
